Based on a complex query submitted using Pro-Cite bibliographic software and the Z39.50 protocol, this list of citations was compiled by searching the Library of Congress online catalog for relevant publications. Because of the limitations inherent in any online catalog search, **do not rely on this document as a comprehensive or authoritative list of recent materials in the Library of Congress collections.** The list is intended to give the reader only an idea of the wealth of materials which may be available for consultation. Search the Library's catalog for a more complete description of the status and availability of each item at: <http://catalog.loc.gov>.

If you would like this list sent to you by email whenever it is updated, please contact : jzellers@loc.gov and ask to receive information about the **Africana Bibliographic Alert Service – Eastern Africa and Western Indian Ocean (ABAS-EAIO)**.
